

Amendment to the Drawings

The drawings have been amended pursuant to the Examiner's request as noted in the Notice of Draftsman's Patent Drawing Review. A clean set of the drawings is attached.

Original Figs. 3 and 4 have been replaced with Figs. 3A-3B and 4A-4B respectively.

Original Figs. 5 and 6 have been replaced with Figs. 5A-5D and 6A-6D respectively.

REMARKS

The above Amendment is being filed to correct the drawings as required in the Notice of Draftsperson's Patent Drawing Review. The specification has been amended to conform to the specification to the drawings.

This Amendment adds no new matter to the application. Because the application has been allowed and the issue fee is being paid concurrently herewith, the amendments merely place the application into better form for issue. Accordingly, the Applicants respectfully request entry of the Amendment After Allowance under 37 C.F.R. § 1.312 and the issuance of a post-allowance communication reflecting such entry.

Respectfully submitted,

DRAGAN SRETENOVIC
